DUCE RECYCLE NOZZLE

Designed for recycled water and a recycling truck!

The Difference Is Performance!

The Duce Recycler Nozzle is purposely designed to be used with recycled water and with a recycling truck. The Duce Recycler Nozzle is a turbo nozzle that propels the water to move the plates rotating the nozzle barrel that acts as a jackhammer removing build-up and deposits along the pipe walls.

ADVANTAGES

- Designed to Work with Recycled Water and Recycling Truck
- Replaceable Titanium Ceramic Inserts
