

The Difference Is Performance!

AQUA POWER 700 NOZZLE

Advantages:

- Multiple applications with one nozzle
- Cuts with water rather than chain
- Controlled rotational speed
- Optional expansion kit to 24" pipe diameter
- No maintenance or lubrication required
- Individual jets for cleaning, propulsion, penetration, & rotation
- Rear jets can be plugged for manhole cleaning

Applications:

- SANITARY, STORM
- Cleaning with forward jets
- Grease removal
- Small to medium roots
- Hardened deposit removal
- Manholes and lift stations

QUICK FACTS

- Pipe Range: 6"-24"+
- Flow Range: 50 GPM - 120 GPM
- Pressure Range: 1700 PSI - 3000 PSI
- Hose Sizes: 0.75", 1" , 1.25"

Technical Specifications:

- Controlled speed directional cleaning utilizing centrifugal clutches
- Main nozzle body will fit in 6" pipe
- Bolt-on skids (included) increase nozzle body diameter to 8"
- Optional penetrating forward jets for cleaning, grease removal and manhole rehabilitation
- Replaceable threaded Titanium ceramic inserts
- Streamlined skids improve maneuverability and decrease snags
- Nozzle body made of highly wear-resistant, stainless steel
